<b>REVIEW COMMINDATIONS</b>			
<p>I would like to commend the nutrition staff for doing a super job on all aspects of running the National School Lunch Program. The ladies in the district nutrition office have done a great job keeping things very organized and flowing in absents of a Nutrition Director. All the sites on review were great as well they all kept a clean organized kitchen with all temperature logs complete and current, they even conducted the Offer vs Serve (OVS) option the district is on properly and efficiently. It was great to see.</p> <p>All of the cook staff and helpers were respectful to the students and it showed. The students were respectful and polite in return.</p> <p>I would like to thank Teresa and Tammy for all of the hard work they do to make sure the students in the Kenai Peninsula Borough School District receive a healthy balanced meals. It is not an easy feet in Alaska. All of the hard work these ladies do to make sure the students in Kenai Peninsula Borough School District receive a healthy balanced meal. This review is very intensive and has a broad scope of responsibilities and is forever changing. They have kept things running smoothly.</p>
